

COMPLETE WRITTEN DESCRIPTION & DIAGRAM OF MARKINGS

Instructions for drawing accurate white markings: On coloured horses draw all white markings. For Grey horses draw only white markings with underlying pink skin. (When in doubt, wet down the area to show pink skin.) Be sure to write description of markings. If no markings, write "NONE".

ALL WHITE MARKINGS MUST BE INDICATED INCLUDING BODY MARKINGS

First Name Choice: _____

WRITTEN DESCRIPTION:

Face Markings: _____

Leg Markings:

Right Fore:	Right Hind:
Left Fore:	Left Hind:

Hair Whorls: A hair whorl is the center of a tuft of hair growing in a different direction from the surrounding hair. Give a written description of the location of all head and neck hair whorls and also mark the location with an "X" on the diagram. If no whorls write "NONE".

Hair Whorls: Head: _____ Right Side Neck: _____ Left Side Neck: _____

Other Markings: belly spots, freeze marks, tattoos, brands or notable scars _____

ANGLO-ARABIAN applications must be accompanied by a copy of the Certificat of Registration for the Thoroughbred or Anglo-Arabian parent(s).

NOTE: For any horse with white markings above the knee, the hock or behind the ears, (such as pintos), four current photographs showing both sides, front and rear must accompany the Application for Registration
